Welcome

2019 proved to be another great season for the Juddmonte stallions. All with runners sired winners at Royal Ascot, making our roster the most successful of the meeting, and together they have been responsible for an impressive total of 52 stakes winners to the time of writing, including six Group 1 winners.

What FRANKEL is achieving as a stallion is remarkable. His percentage of Group winners to runners is 14% - more than any other stallion including his own sire, Galileo, and in 2019 he became the fastest to sire 35 Group winners in history. Frankel was responsible for five Group 1 winners in 2019, including two British Classic winners in Meon Valley Stud’s homebred Oaks heroine and dual Group 1 winner Anapurna and the exciting and progressive Juddmonte-bred Logician, who broke the track record in winning the St Leger. The unbeaten two-year-old Quadrilateral capped a wonderful season for Frankel by taking the Fillies’ Mile and goes into winter quarters as the favourite for next year’s Classics, having also been crowned Cartier Two-Year-Old Filly of 2019.

KINGMAN has continued from strength to strength, with a European Classic winner from his first crop in Persian King - winner of the Poule d’Essai des Poulains. He has sired 13 stakes winners from his first crop, including Coventry Stakes winner Calyx, 2019 Prix Guillaume d’Ornano winner Headman, and Group 3 winners Nausha and Sangarius. From his second crop he has already sired four stakes winners, including Group 3 winner Boomer and Listed winner Summer Romance, who justified her €800,000 Arqana Breeze-Up purchase price. It’s not surprising that Kingman’s third crop were in demand at the yearling sales, including colts sold for 2.3 million guineas and 1.8 million guineas at Tattersalls. His results on the track and in the sales ring repaid the investment placed in him by breeders.
Rubbing shoulders with the very best at Royal Ascot 2019 was BATED BREATHE, whose three winners placed him alongside Galileo and Sea The Stars and only one behind the leading sire of the meeting Shamardal. Albany Stakes winner Daahyeh - a £75,000 Goffs UK Premier yearling in 2018 - went on to win the Rockfel Stakes as well as being twice runner-up at Group 1 level in the Moyglare Stud Stakes and Breeders’ Cup Juvenile Fillies Turf. Space Traveller - an £85,000gns Book 3 yearling in 2017 - won the Jersey Stakes before landing the Solonoway Stakes in the colours of the race sponsors Clipper Logistics.

Bated Breath sired 12 blacktype winners in 2019 including six Group winners, and finished the season easily as the best value sire in Europe by blacktype winners.

As Europe’s leading sire of Group 1 speed, and a top five active sire by stakes winners, Group winners and Group 1 winners, OASIS DREAM represents excellent value to breeders. The sire of 17 Group 1 winners of 27 Group 1 races, with 10% blacktype winners to runners, he is well established as a consistent source of class. Group 1 winners Polydream and Pretty Pollyanna returned for more success in 2019; Polydream winning the Prix de la Porte Maillot and Pretty Pollyanna a runner-up in the Irish 1000 Guineas and fourth in the July Cup.

Other highlights for Oasis Dream this year included Shine So Bright, who headed multiple Group 1 winner Laurens to land the City Of York Stakes, and two-year-old Well Of Wisdom, a Listed winner at ParisLongchamp.

As we head into a new decade, we have much to look forward to, not least the first foals by EXPERT EYE, winner of the Breeders’ Cup Mile and Jersey Stakes as well as the Vintage Stakes as a juvenile. Juddmonte has an excellent record of producing stallions, and every Group 1 winner that has stood at Banstead Manor Stud has gone on to sire a Group 1 winner. Each is deserving of their place on the roster, and Expert Eye is no exception, receiving strong support from Juddmonte in his first season. This precocious and fast son of Acclamation has settled perfectly into his new role as a stallion, and breeders visiting him have remarked on his impressive looks, athletic walk and wonderful temperament. We look forward to seeing the same qualities reflected in his first foals of 2020.

World champion ARROGATE’s first foals were very well received in 2019, appearing to inherit their sire’s clean, correct limbs, athleticism and scope. No doubt all eyes will be on them at the 2020 sales in the USA.

Thank you to all breeders that supported the Juddmonte stallions in 2019, for their continuing success relies on your faith and your decisions. We hope to see you back again for the new season and look forward to assisting you with your nomination plans.

Bated Breath

2007 Bay Horse
by Dansili ex Tantina (Distant View)
£12,500 Special Live Foal
The name Bated Breath will be synonymous with Royal Ascot 2019: Albany winner Daahyeh, Jersey Stakes hero Space Traveller and Britannia Stakes victor Biometric all beat off red-hot competition to thrust their sire into the Royal meeting spotlight.

Good job Bated Breath did enjoy such a great campaign. Otherwise, his half-sister Scuffle might have grabbed the family bragging rights: a useful miler, she is the dam of the mighty Frankel colt Logician.

Can a stallion breed into its progeny a course-related effect? It really is possible: some have compiled a record specific to the straight course at Ascot which passes the test of statistical significance. After only four crops of racing age, we cannot yet be certain about Bated Breath, but his 35 Ascot runners have won at twice the rate of random chance.

In the larger sample, Bated Breath’s record with daughters of Oasis Dream is more concrete. From 12 runners, no fewer than 11 have won, including the aforementioned Daahyeh, also winner of the Group 2 Rockfel Stakes as well as twice a Group 1 runner-up.

Bated Breath’s progeny come out running early and progress with age - not surprising considering their grandsire is Dansili. Their strike rate is 12.6% at two, 13.2% at three and 11.9% at four and five; all these numbers are good - and on the upswing considering that Bated Breath’s potency is now established.

At his price bracket, there isn’t a stallion who produced more stakes winners in 2019. On its own, this is sure to see Bated Breath expand his popularity further. And yet the Ascot factor should not be underestimated, given the premium placed on winners there.

Expert Eye

2015 Bay Horse
by Acclamation ex Exemplify (Dansili)
£17,500 Special Live Foal
“Before Expert Eye ran we knew he was pretty smart. He is a good-looking horse and very athletic and has been pretty natural from the beginning. He is the best two-year-old I have trained for a while.”

Never underestimate the value of the Expert Eye. The colt who could have been named for Sir Michael Stoute turned out true to his trainer’s initial impression.

When a colt earns a rating of 118 on only his second start, expectation accompanies him to the races forever. But that dazzling win in the Vintage Stakes was played out again, for a Royal audience in the Jersey Stakes at Ascot, for a global one in the Breeders’ Cup Mile at Churchill Downs.

So it was that Expert Eye went from being by Acclamation to receiving it as a truly top-class horse. His sire is a most reliable source of speed and his female line - carried successively by Juddmonte mares - is that of champion Chris Evert; it is the family of Classic sire Chief’s Crown and Kentucky Derby winner Winning Colors.

Expert Eye had to come from an unpromising position at Churchill Downs, really dropping his shoulder to power up the straight. At Goodwood, he flashed speed and acceleration; at Ascot, he finished strongly and hit the line really hard.

Whatever the desired characteristics in the racehorse, the Eye has it.

Frankel

2008 Bay Horse
by Galileo ex Kind (Danehill)
£175,000 Special Live Foal
No horse has finished a racing career with a record like Frankel. No horse has started a stallion career like him either.

You cannot avoid numbers with Frankel. As a racehorse, he was officially rated 140 on a scale designed for no higher numbers. He would have been off the charts, had they allowed it to happen.

As a stallion, Frankel also generates landmarks. He was the fastest ever to 35 Northern Hemisphere Group winners, and is second only to his own sire Galileo in terms of blacktype winners (46) and Group winners (37) from crops foaled from 2014 to 2017.

Frankel has already sired horses who take the breath away. Think of Cracksman’s two wins in the Champion Stakes, for instance; think of top milers like Without Parole and Veracious, Oaks winner Anapurna, top two-year-olds like Quadrilateral, winner of the latest Fillies’ Mile. Think of - and dream on - the awesome Logician, the St Leger winner who stands on the threshold of stardom over shorter trips in 2020.

We probably ain’t seen nothing. No horse has run like Frankel, so no stallion has ever had the same racing merit to pass onto their stock. So, no stallion has the same ceiling as Frankel does right now.

Frankel: there is none greater. None.

Kingman

2011 Bay Horse
by Invincible Spirit ex Zenda (Zamindar)
£150,000 Special Live Foal
You expect the car you drive to go smoothly through the gears, so why hold your chosen stallion to a lesser standard? Speed thrills - and nothing quickens like a Kingman.

Kingman’s stallion career went from nought to 60 at lightning speed when his first-crop runner Calyx won the 2018 Coventry. That horse has proved the prototype for his stallion’s runners: distinctive in appearance, great to watch, packed with interesting features.

Every time you look up, a Kingman seems to be passing. His runners are blessed with the irresistible mix of speed and stamina - gilded by acceleration - that only a horse with four Group 1s at a mile has the potential to provide.

Kingman has already delivered on this promise. With his second crop yet to finish their first season on the track, he has 28 blacktype runners in total, including French 2000 Guineas hero Persian King, the classy Headman, Royal Ascot winner Sangarius and high-class miler King of Comedy.

All this was portended by Kingman’s signature moment on the track: when sweeping through to win the 2014 St James’s Palace Stakes at Royal Ascot, he covered the final quarter faster than the hard-charging Sole Power in the King’s Stand over five furlongs.

Lots of people told us he was a lovely horse, but you can’t really expect a sale like that… It was a bit of decision to make as it is always a risk to use a stallion in his third year. It has worked out – we might have to send her back to him again!”

NICHOLAS JONES, BREEDER/CONSIGNOR OF GRACE AND FAVOUR 18
Oasis Dream

2000 Bay Horse
by Green Desert ex Hope (Dancing Brave)
£25,000 Special Live Foal
A brilliant racehorse; a great sire; a great sire of sires; a great broodmare sire. If you don’t know Oasis Dream, you just don’t know racing.

Oasis Dream is the stallion with no hole in his record. He could run like the wind, he has currency, and he can do it all.

Once again, the influence of Oasis Dream was all over the 2019 Flat season in Europe. His sons - such as Group 1 speed sire Showcasing - were either siring winners, or else their younger brethren - like pacy Group 2 scorer Shine So Bright - were doing it themselves.

Oasis Dream progeny successful as broodmares included Bird Flown, the dam of unbeaten Group 1 winner Siskin; Affluent, the dam of Albany Stakes and Rockfel heroine Daahyeh; and Sparrow, whose son Sir Dragonet is so highly talented and won the Chester Vase in a romp.

In short, Oasis Dream is embedded in the fabric of modern racing, just as his own sire Green Desert commanded a leading role in a previous era. And Oasis Dream has produced more blacktype winners than even his great father - or any of Green Desert’s stallion sons.

Trends in bloodstock are more in flux than most pursuits. But breeders keep coming back to Oasis Dream because they know class will never go out of fashion.

Arrogate

2013 Grey/Roan Horse
by Unbridled’s Song ex Bubbler (Distorted Humor)
$50,000 Live Foal Stands and Nurses
Officially the best racehorse on the planet, Arrogate spent his career shooting for the moon. He retired with record North American earnings of more than $17 million, having planted his flag in the Breeders’ Cup Classic at Santa Anita, the Pegasus World Cup at Gulfstream and the Dubai World Cup at Meydan.

Before all that, Arrogate engaged warp drive to break the 37-year-old track record of General Assembly and record the fastest time in the 147-year history of the Travers Stakes. His time of 1:59.36 for 10 furlongs was worth an otherworldly Beyer Figure of 122. This was just one small step for Arrogate, when it would have been a giant leap for every other horse.

Arrogate again turned back time when winning the 2017 Pegasus, setting another track record at 1:46.83 for nine furlongs at the speed-favouring Florida strip.

By champion sire Unbridled’s Song, Arrogate already has some starry foals on the ground in 2019, including a filly out of the champion Songbird. Their father owned tremendous speed - clearing the field early in the Travers - and great courage, circling them late after being squeezed out at the start in Dubai.

His journey to the outer limits as a stallion is already underway.
